Hymn: *For All the Saints*

1. For all the saints who from their labours rest
Who thee by faith before the world confessed
Thy Name, O Jesus, be for ever blest. *Alleluia! Alleluia!*
2. Thou wast their rock, their fortress and their might;
Thou, Lord, their captain in the well-fought fight;
Thou, in the darkness drear, their one true light.
3. O blest communion, fellowship divine!
We feebly struggle, they in glory shine,
Yet all are one in thee, for all are thine.
4. From earth's wide bounds, from ocean's farthest coast,
Through gates of pearl streams in the countless host,
Singing to Father, Son and Holy Ghost.

This was followed by the parishes of St. Thomas, Winnipeg; St. Andrews, Trail, Diocese of Kootenay; St. Michael and All Angels and St. Matthias, in Victoria. Jack was able to complete his education due to the generosity and foresight of Archbishop Stringer's wife, who declared that the College did not need stained glass windows when there were deserving students who required financial help to complete their studies. Jack Rogers and several of his contemporaries became known as the "Stained Glass Windows". This gift is inspired by Jack's story, in the hope that it will enable others to complete their studies.

St John's College
"In Thy Light Shall We See Light"

Located on the bank of the Red River, St John's College was the first anglophone institution of higher education in Western Canada. Robert Machray, Bishop of Rupert's Land, opened the College in 1866. It was the successor to the Red River Academy and to a college and collegiate school established in 1849 by David Anderson, first Anglican Bishop of Rupert's Land.

In 1877, St John's College joined with St Boniface College and Manitoba College to establish the University of Manitoba. The College relocated to the Fort Garry Campus in 1958 and here continues a tradition of higher education and training for ministry.
